The Bonus Value

SHINGLE

A Bonus Value

THAT MEANS SAVINGS TO HOMEOWNERS!

Everyone appreciates a bargain—and Flintkote THIKBUT Shingles give you a bargain in beauty and protection at moderate cost! These sturdy asphalt shingles are reasonable in price, easy and quick to apply—right over your old roof, as well as on new homes. Like all Flintkote Asphalt Shingles, THIKBUTS resist fire and weather, give trouble-free protection for years. And THIKBUTS have a *built-in bonus* with practical appeal!

Each THIKBUT has a double thickness of protective asphalt and mineral granules at the exposed tab, where the most wear occurs. This extra measure of protection gives you an important bonus in wear, and in beauty, too!

BONUS DUTY!

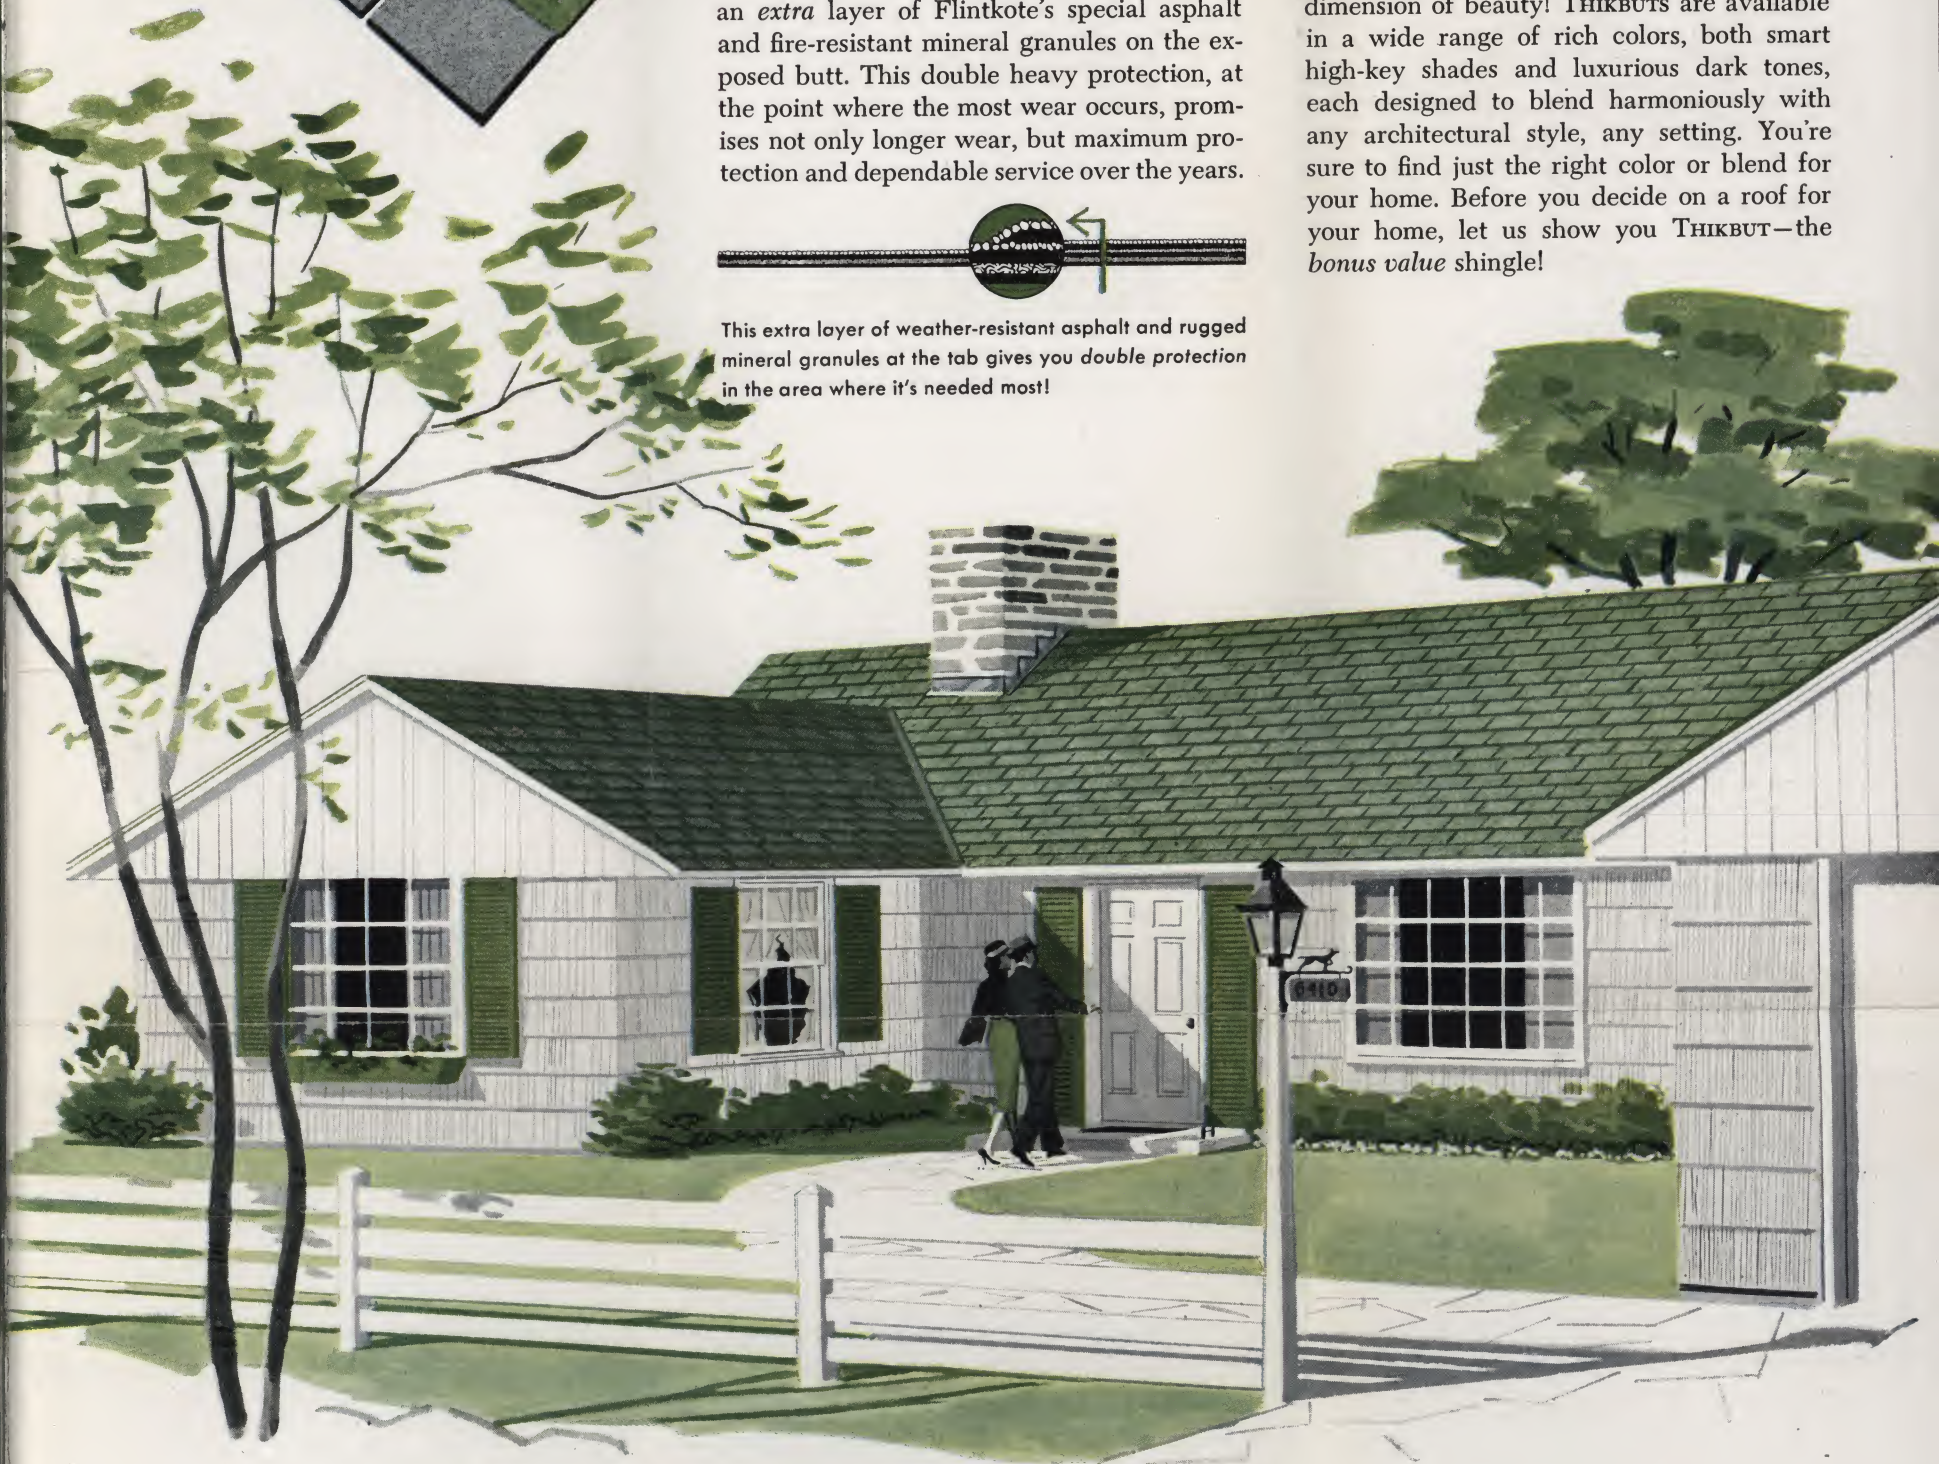

Extra years of trouble-free service are built right into every Flintkote THIKBUT Shingle—and you can see why! For every THIKBUT has an *extra* layer of Flintkote's special asphalt and fire-resistant mineral granules on the exposed butt. This double heavy protection, at the point where the most wear occurs, promises not only longer wear, but maximum protection and dependable service over the years.

This extra layer of weather-resistant asphalt and rugged mineral granules at the tab gives you *double* protection in the area where it's needed most!

BONUS BEAUTY!

...for THIKBUTS are *extra* handsome, too! The double-thick tabs create a luxurious, pronounced shadow line, give any roof a new dimension of beauty! THIKBUTS are available in a wide range of rich colors, both smart high-key shades and luxurious dark tones, each designed to blend harmoniously with any architectural style, any setting. You're sure to find just the right color or blend for your home. Before you decide on a roof for your home, let us show you THIKBUT—the *bonus value* shingle!

Flintkote THIKBUT Shingles are available in many handsome colors and blends, some of which are reproduced in this brochure. Your Flintkote dealer can show you the complete line of colors available in your locality.
